### STILL FEWER IDLE CARS.

Surplus Feb. 3 Was 301,571, or 10,093  
Less Than Two Weeks Previous.

New York, Feb. 17.—The figures of the  
American Railway association on the  
freight car supply for Feb. 10, show a  
decrease in the number of idle cars, but  
a small one in comparison with that of  
the previous fortnight and with the  
heavy increases recorded during Novem-  
ber and December. On the date men-  
tioned idle cars numbered 301,571, as  
compared with 311,604 on Jan. 20, a dif-  
ference of 10,093 cars. Shortages are now  
of no moment.

The association's bulletin states that  
there was practically no change in the  
number of had order cars. During the  
previous fortnight 3,000 cars were re-  
ceived from the shops, so that the actual  
improvement in the demand for freight  
cars during that time was upwards of  
24,000 cars.

During the two weeks ended Feb. 3,  
such improvement in the demand of cars  
as took place was pretty generally dis-  
tributed over this country and Canada,  
with the exception of a rather marked  
increase in the surplus in the Virginias  
and Carolinas, and in Montana, Wyoming  
and Nebraska. The Pacific coast states  
reported a more than average improve-  
ment.

Surpluses, shortages and net balances  
on various dates as reported by the as-  
sociation have been as follows:

Surplus, Shortage, Net surplus			
Feb. 3	301,571	288	301,283
Jan. 20	311,604	358	311,246
Jan. 10	333,019	50	332,969
Nov. 23	253,829	9,210	123,619
Oct. 28	110,912	10,839	100,073
July 22	308,680	509	308,171
April 29	413,605	267	413,338
Mar. 18	397,042	1,007	296,035

It will be observed that the present  
surplus is about 75 per cent. of the April  
figures, which were the maximum of the  
after-panic period thus far. It must  
again be pointed out, however, that such  
a comparison is not accurate since the  
number of cars in shops or awaiting  
repairs is much smaller now than it was  
then. Bad order cars are not counted  
as a part of the surplus in the associa-  
tion's figures.

aldermanic nomination in the third ward.  
No candidate has yet dared to raise his  
head against the re-nomination of Mayor  
Dewley.

## DIAPESPIN EFFECTIVE

Harmless Digestive Over-  
comes Stomach Trouble

### PROMPT RELIEF WAITING

Get Some Now So You Can Eat Your  
Foods Without Fear of Dyspepsia  
or Gas on Stomach Heart-  
burn or Other Misery.

Take your sour stomach—or maybe  
you call it indigestion, dyspepsia, gas-  
tritis or catarrh of stomach; it doesn't  
matter—take your stomach trouble  
right with you to your pharmacist and  
ask him to open a 30-cent case of  
Diapespin and let you eat one

22-grain Triangule and see if within  
five minutes there is left any trace of  
your former misery.  
The correct name for your trouble is  
food fermentation—food souring; the  
digestive organs become weak, there  
is lack of gastric juice! your food is  
only half digested, and you become af-  
fected with loss of appetite, pressure  
and fullness after eating, vomiting,  
nausea, heartburn, griping in bowels,  
tenderness in the pit of stomach, bad  
taste in mouth, constipation, pain in  
limbs, sleeplessness, belching of gas,  
biliousness, sick headache, nervousness,  
dizziness and many other similar symp-  
toms.

If your appetite is feeble, and nothing  
tempts you, or you belch gas or if  
you feel bloated after eating, or your  
food lies like a lump in your stomach,  
you can make up your mind that  
at the bottom of all this there is  
but one cause—fermentation of un-  
digested food.

Prove to yourself, after your next  
meal, that your stomach is as good as  
any; that there is nothing really  
wrong. Stop this fermentation and  
eat eating and you will be without  
fear of dyspepsia or misery.

Almost instant relief is waiting for  
you. It is merely a matter of how  
soon you take some Diapespin.

STATE OF VERMONT. In Probate Court,  
District of Washington, ss. I held at Montpelier,  
Vt., for said district, on the 4th day of  
February, A. D. 1909.

Dan J. Morse, Administrator of the Es-  
tate of Albert A. Morse, deceased, makes ap-  
plication to said Court for license to make a  
will of the said estate, and to sell the cer-

uated in said Waterbury, to wit: Being all  
the same land and premises conveyed to  
said Albert A. Morse by Henry W. Gray by his  
will of said date of October 12, 1894, re-  
corded in Book 2, page 25 of Waterbury Land  
Records, being a piece of land 9 rods square  
and fully bounded and described in said W. H.  
Gray's deed, on compliance by the said W. H.  
Morse with the conditions of a certain con-  
tract in writing, and between the said Al-  
bert A. Morse and the said Henry W. Gray, to  
witness the said deed, and the said W. H. Morse,  
dated the 6th day of September A. D. 1894,

trator approved by said Probate Court, repre-  
senting that the said deceased was in his life-  
time and at the time of his death, a citizen  
of said State of Vermont, and the official

granting his petition.

### Prison Goes to Prison.

Convicted of forgery in raising and  
uttering a check Charles Prince, col-  
ored, of Fair Haven, was taken yester-  
day to the state prison at Windsor,  
where he will serve not less than 18  
months nor more than three years at  
hard labor. When arraigned in Rutland  
city court Saturday morning, Prince  
pleaded guilty to an information made  
out by state attorney Joseph A. Jones at the  
prisoner's request. Mr. Jones appeared at  
the hearing for the state.

### After pleading Prince was allowed

to tell why he cashed the check. He  
claimed that Maley Brothers of Fair  
Haven had owed him more than \$12 for  
some time. Not long ago they gave  
him a check for \$11.10, and he then saw  
a chance, to get some of his money back,  
so he erased the figure one and put a  
10 in its place. The check showed plain-  
ly that it had been changed in both  
figures and lettering. Prince cashed it  
at the Delaware & Hudson railroad  
station in Fair Haven, and was arrested  
when payment was refused by the bank.

### A Double Anniversary.

The 50th anniversary of the marriage of  
Oscar J. Patroll and Eleanor Ellis  
was observed Monday at the residence  
of their daughter, Mrs. Charles Cam-  
bridge of Hanover, N. H. Mr. Patroll  
has been a life long resident of that vic-  
inity, having been born at Norwich in  
1855. When 21 years old he was mar-  
ried and lived at Hartford, later return-  
ing to the ancestral home in Rutland  
with advancing years he went to Wilder  
and made that his home until about  
three years ago, when the couple went  
to their daughter's home where they now  
are. Four years ago Mr. Patroll suf-  
fered a paralytic shock losing the use

### ABOUT THE STATE

The new tale mine near Stockbridge  
is reported as producing a fine grade of  
tale. The tunnel has been driven into  
the mountain about 200 feet.

The Rev. T. W. Harwood, pastor of  
the Congregational Church at Bakers-  
field, has accepted a call to the church  
at Pembroke, N. H., where he will go  
about April 1.

R. Tufts and A. S. Whittemore, rep-  
resenting Jose Parker & Co., bankers,  
of Boston, accompanied by M. J. Meagher  
and a contractor are in Rochester  
arranging for the construction of a hotel  
300 feet long which will accommodate  
200 guests.

A fire alarm in Morrisville early Sun-  
day morning was for a slight blaze at  
Miles Kanasky's, supposed to have been  
caused by the chimney burning out and  
the blowing out of the cover of a stove  
pipe hole. One room was gutted, but  
the fire was kept under control and finally  
extinguished by hand. This fire de-  
monstrated very plainly the inade-  
quacy of the fire alarm in only two fire-  
men responded to the call.

The Fortnight club of Rutland ob-  
served the birthday of Mrs. Julia C. R.  
Dorr Saturday evening with exercises,  
not the least interesting of which was  
the reading of a poem by Mrs. Dorr  
written for the occasion. The talented  
poetess prettily disclaimed knowledge of  
how old she is but "Who's Who in Amer-  
ica" says she was born in Charleston,  
S. C. February 13, 1825. Mrs. Dorr has  
been president of the Fortnightly club of  
Rutland 25 years.

A telegram has been received in Bur-  
lington from C. B. Wetherby saying that  
he and Mrs. Wetherby escaped with no  
injury from the fire at Sea Breeze, Fla.,  
Sunday. Mr. and Mrs. Wetherby were  
stopping at the Hotel Clarendon, which  
was totally destroyed. Last summer  
they were stopping at the Fluke House  
at Old Orchard Beach, Me., when it was  
destroyed by fire. Mrs. A. J. Taylor  
and daughter are passing the winter at  
Daytona, only a short distance from the  
burned hotel at Sea Breeze.

George Steady, aged 17 years, took a  
barrel belonging to Ole Bull from the  
meeting house sheds at North Ferrisburg  
Sunday forenoon. Deputy Sheriff S. E.  
Noonan and William Dean started and  
overtook Steady at Charlotte and placed  
him in jail at Vergennes. Steady was  
brought before Justice G. F. O. Kimball  
Monday morning and pleaded guilty. He  
was bound over to the June term of Ad-  
dison county court in the sum of \$500.  
Steady has been an inmate of the State  
Industrial school but was out on proba-  
tion and was working in North Ferris-  
burg.

A large audience gathered in the New-  
port opera house Friday evening for the  
exercises in honor of the 100th anniver-  
sary of the birth of Abraham Lincoln.  
Gov. Joshua Abbott had charge of  
the meeting and several local men took  
part in a brief way. Governor Prouty  
was expected to speak but was called  
to the south mill of the Prouty and Mil-  
ler Lumber company which caught fire  
between five and six o'clock. During  
the fire Mr. Prouty got wet and owing  
to the lateness of the hour he sent a re-  
quest to be excused. The fire did but  
little damage and did not hinder the op-  
eration of the machinery, so no delay  
was experienced.

Pledges were called for at Sunday  
morning's service at the Rutland Baptist  
church for the purpose of defraying the  
debt of the church and within 45 min-  
utes \$2887 had been pledged and before  
the week is ended it is expected that the  
sum will be raised to \$3000. The con-  
tributions were started with the pledge  
of the Ladies' Industrial society to give  
\$300. The remainder was in individual  
subscriptions. Most of the money will  
be used to pay off the church debt and  
the remainder will be reserved for gen-  
eral repairs to the building.

### Dr. Bogus Eye Doctor Pardoned.

Edward H. Haas, who was pardoned  
recently by the governor of Massachu-  
setts after serving all but ten months  
of a three years' sentence for larceny,  
was sentenced in the superior court  
of Franklin county, Mass., Novem-  
ber 10, 1908. Haas, it will be remembered,  
was a bogus eye doctor who swindled  
a large number of people in Rutland  
and vicinity. He visited that section  
in December, 1905, performing vari-  
ous so-called operations for eye diseases  
and charging for his work according to  
the size of his victim's pocket-book.

During his imprisonment Haas main-  
tained a perfect conduct record. He  
gave information leading to the detec-  
tion and conviction of persons smuggling  
morphine into the prison, and the offi-  
cials believed this was sufficient to war-  
rant his pardon.

three years ago, when the couple went  
to their daughter's home where they now  
are. Four years ago Mr. Patroll suf-  
fered a paralytic shock losing the use

of his lower limbs and being confined  
to a wheel chair. Possessing good eyesight  
he has been able to indulge his  
taste for reading and has kept a cheer-  
ful acquaintance with the world by that  
means. Mrs. Patroll's health has been  
somewhat impaired the past year. Be-  
side the two children above named there  
are two others, Jennie, wife of Frank  
Bristol of Ascutneyville, and Arthur, a  
physician at Grafton, N. H. They have  
seven grandchildren, and all present at  
the anniversary. The 15th anniversary  
of the marriage of their daughter, Bertha  
to Charles Cambridge was also celebrated  
yesterday.

### Engineering Department Banquet.

The second annual banquet of the en-  
gineering department of the University  
of Vermont was held Monday evening in  
Burlington, with an attendance of 125.  
The spread was ample and elegant and  
was well served in all of its ten courses.  
The tables were handsomely decorated  
with palms, anemones, white potting plants  
and cut flowers. Music was furnished  
by Belding's orchestra. The guests of

of the university.
